### Activities

### Activities

Make our dramatic play area a cave for hibernating bears.

Pretend to ice skate, build a snowman, and go sledding.

Pretend to be characters in different

books.

Dr. Seuss birthday party

### Notes

### Special Announcements

We continue to work on inside voices, keeping our hands to ourselves, looking with our eyes (not our hands), and using walking feet in the hallway and classroom.

Please be sure to bring heavy coats, gloves or mittens, and hats. We go outside every day regardless of the weather. We want everyone to be warm!
